

# Varsity Champion Stunt Camp

on Friday, August 19 the varsity team will travel, by carpool, to Brighton High school for a stunt camp put on by champion cheerleading. This is a 3 hour stunt camp focusing only on brand new stunts. The time of the camp depends on the number of teams that sign up. As of now they are planning to run 2 sessions and we would go in the afternoon to allow more time to travel. There is a possibility that we would go in the morning if not many teams sign up. we will know more once teams send in their registrations.
